

The Theme for MOPS 2018-2019 is...

FIND YOUR FIRE

Fire has always played an important role in the kingdom of God, because it serves to guide and transform.

SISTERS, THIS IS A YEAR WE WILL TEND THE FIRE IN OUR HEARTS.

We will stop inhaling the fumes of our mistakes that tell us we are not enough, not a good enough mom, not pretty enough, not brave enough, not smart enough, not wealthy enough. Instead, we will choose to tend our God-given fire. We will love our children with an all-consuming love and use our words to warm the world. We will hold the torch up high and shed light on what matters most.

When our homes feel cold, we'll light a fire.

When a friend has lost her spark, we'll fan her flame.

When the world seems dark, we will be an ember of hope.

IN ORDER TO DO THIS WE WILL:

Live Expectantly, Surrender Daringly and Breathe Freely.

ATTENDING MOPS KIDS?

Do you....

....wear spit up as a fragrance all day?

....ask other adults if they need to “go to the potty” before you leave?

.....have a secret chocolate stash because you are sick of sharing?

....want adult human interactions?

At MOPS, we provide a friendly and fun place for mothers to be recharged, encouraged and supported. We are able to learn from one another about how to handle this rewarding but often challenging time in our lives.

At a typical MOPS meeting, moms can enjoy delicious brunch, adult conversations, fabulous speakers who discuss relevant topics and fun creative activities. It is a great place to re-energize and connect.

MOPS KIDS

Quality care is provided for children from birth through kindergarten. Our experienced staff of volunteers will engage children in activities such as stories, games, crafts, songs and snacks. Every effort is made to ensure your child has a safe and positive experience at MOPS KIDS. If you have any questions regarding the MOPS KIDS program, contact Maren Bradford.

MOPS stands for Mother of Preschoolers. It is a positive and caring ministry designed to nurture mothers with children from infancy through kindergarten. MOPS groups meet in churches throughout the U.S., Canada and thirty-three other countries. The women are of many ages and backgrounds, but share the same desire - to be the best mothers they can be!
