Our Mission Statement

As participants in Wildwood Presbyterian
Church's educational ministry we seek to:

LEARN to connect to God through the stories of our faith.

- *Teaching* each other about God's gift of freedom and our call to responsibility as revealed to us by our **Creator** through scripture.

GROW in faith by striving to be more like Jesus Christ.

- *Discovering* ways to support each other as we strive for greater maturity of faith as revealed to us in the person of **Jesus Christ**.

LIVE God's Word through leadership and service.

- *Challenging* each other to enact God's love in the world as empowered by the **Holy Spirit**.
