

Behavior Covenant – 2018/2019

In this youth group, we will do our best to live together as a family in Christian community. Family life is based on love, respect, truth, support, and on spending time together. To create and maintain this relationship of family and community, each person agrees to the following covenant:

1. We will welcome every individual as a person deserving of trust and respect. Bringing our different school and social backgrounds together calls us to be caring and sensitive to our differences and open to making new friends.
2. Each person is expected to follow the rules that we've made together as a group (pg 2)
3. There will be no smoking, no alcoholic beverages, no illegal drugs, and no inappropriate sexual behavior.
4. Each person is expected to participate in the events which he/she attends and to follow the instructions of the adult leaders. Adult leaders are responsible for helping all youth keep the covenant and are expected to keep it themselves.
5. In the event an individual breaks this covenant, adult advisors may contact that person's parent(s) and/or send the individual home.

I recognize that, while attending WildFaith Youth Group events, I am participating in this Christian family and community. As part of it, I agree to abide by this behavior covenant.
