Welcome Back to Sunday School 2020!

Christian Education this year (at least for now!)
will be totally different and exciting!

There will be two parts!

Part 1: WildZoom – We will have weekly check ins on Zoom!

- There will be 2 zooms
 - One for 5th grade and younger at 10:00 am
 - Another one for Middle and High School at 10:30 am

Part 2: Online Lessons – Sunday School Lessons will be posted weekly online.

- For these we will have a supply pick up/drop off, based on your availability.
- These lessons will have videos, activities and pages to do.

Youth groups will be receiving more information soon. :)

We're excited for a fun year starting
Sunday, September 13, 2020!

Please be sure to register all youth so we can be sure to prepare materials for you and send you all of the links and information. You can drop off/mail the attached form to WPC, scan it and email it to wpcbeckym@gmail.com, or find the form online at www.wildwoodpc.net and submit it electronically.

If you would like to learn more about this exciting new way to learn about God, contact Becky Mosher at wpcbeckym@gmail.com.

We can't wait to see your smiling faces on Zoom soon!
